Conference Theme:

**Out of the box thinking in Orthopaedics**

## **THE MISSION REPORT**

**AUTHOR AND COMPILER – DR. AKSHAT CHANDRA**

## FROM THE HEART OF THE CO—ORGANISING SECRETARY THE COMPILER OF THE E—SOUVENIR

**What When and Why ? Was the initial reaction** when it was announced that POA will host the Mid—Term Symposium of CEZIOACON 2026 at Prayagraj on 11th and 12th April 2026 as Recently we had Hosted a Mid—Term Symposium of UPOA and Prof R C Gupta and Prof S C Gaur Memorial Orations in September 2025, Prayagraj Arthroplasty Meet in May 2025, UPORTHOCON in Feb 2024 all within a span of two years.

Well the answer was as elementary for us Sherlocks as Sherlock Holmes and Watson. As per the Constitution of the Central Zone of IOA the city from where the Vice President of the Central Zone hails that city is supposed to be the host of the Mid—Term Symposium of the Central Zone of IOA and in our case we had the honor of having our beloved Dr. K. D. Tripathi Sir as the Current Vice President of the Central Zone of IOA 2026 and hence Prayagraj as the Hosts of the Conference.

So with this matter settled we moved on to execute this conference which comprises of five states (Uttar Pradesh, Madhya Pradesh, Bihar, Chattisgarh and Rajasthan) and interestingly is The Only Recognized Zonal Chapter of the Indian Orthopaedic Association.

The Theme of the Conference—”Out of the Box Thinking in Orthopaedics” was born in Siliguri after a presentation from a World Renowned Legend One of Our National Treasure Dr. D. D. Tanna Sir we were inspired and charged enough to execute a conference which puts Prayagraj on the Map of the Central Zone of the Indian Orthopaedic Association.

*Beyond all of the Ups and Downs and the curiosity of knowing as to How ?  
How Was It ? This is for those who missed this Saga in person due to any reason.*

***Dedicated to the Unsung Heroes of POA !!!***

*Honored to be a part of this Multi—State Phenomenon with a Special Thanks for the Image Below:*
